

# CETP Update Webinar Series

## *Overview of 2012 CETP*

### **Vapor Distribution Systems Update:**

There will be three new Vapor Distribution Systems CETP textbooks available for the 2012 training season. They will include:

- 4.1 Designing and Installing Exterior Vapor Distribution Systems
- 4.2 Placing Vapor Distribution Systems and Appliances into Operation
- 4.3 Installing Appliances and Interior Vapor Distribution Systems

### **Basic Plant Operations Update:**

The updated Basic Plant Operations will include original content from Basic Plant Operations (3.1 – 3.4) and 3.5 Cargo Tank Product Transfer, into one textbook. The updated textbook will be available for the 2012 training season.

There will also be updated materials for the 2012 training season, which will include regulatory updates and updates based on industry feedback for

- Basic Principles & Practices
- Propane Delivery Operations & Cylinder Delivery
- Bobtail Delivery Operations
